

2023-2024 ATHLETIC PHYSICALS

PIAA regulations require that all students of the Dover Area School District who wish to participate in interscholastic athletics and cheerleading must receive a physical examination prior to their participation in practices or contests. **The physical must be completed on the appropriate PIAA CIPPE six-page physical form. No other physical forms will be accepted and the physical must be done and dated by the physician on or after June 1, 2023.** The PIAA CIPPE form is located on the district's website (www.doversd.org); select Athletics, Documents and Forms, and then click on PIAA Physical Form.

For the 2023-2024 school year, **the Dover Area School District will not be offering sports physicals over the summer**, like they have in the past. OSS will be offering sports physicals directly at their four local facilities. Please see the information below for all the details. You may also obtain a physical through your family doctor or at an urgent care facility.
