

2025-2026 ATHLETIC PHYSICALS

PIAA regulations require that all students of the Dover Area School District who wish to participate in interscholastic athletics and cheerleading must receive a physical examination prior to their participation in practices or contests. For the 2025-2026 school year, the Dover Area School District will be offering physicals on **Thursday, May 29th, and Monday, July 28th**, from **5:00 PM to 8:00 PM** at the Dover Area High School.

Our in-house physicals are only \$15 (cash or check payable to "DASD"). These nights are a great opportunity to check something off your to do list. Get the sports physical scheduled and completed, so there is one less thing for you to worry about prior to your kid's sports season. The physicals are good for the whole school year, so it doesn't matter if your student is a Fall, Winter, Spring, or more than one season athlete.
