On the above date, a core group meeting was held at the Dover Area School District Offices to review the Dover Area High School project. Pertinent issues and items of discussion are as follows.

1. The revised schematic design was reviewed and the pertinent items discussed.
   a. CRA to investigate incorporating an amphitheater in the cafeteria courtyard.
   b. The corridors shall be sized to add 1400 lockers in the future.
   c. The natatorium seating is to be retractable to allow the seating area to be used for teaching.
   d. One of the Ag Science Classrooms shall be designed as a lab.
   e. A Family & Consumer Science classroom is to be added.

2. A preliminary site plan was reviewed.

3. The content of the board retreat was discussed.
