<p>Welcome to the School Nutrition Program for Dover Area School District! <b>Last school year we proudly served 145,239 student breakfasts and 326,336 student lunches.</b> We are honored to serve your children healthy, nutritious meals that meet or exceed the USDA School Meal Requirements.</p> <p>Lunch requirements state that ALL of our menu options will offer Meat/Meat Alternate (high protein items), Whole Grains, Fresh and Frozen Vegetables in an array of Colors (Red/Orange, Dark Green, White/Yellow, Starchy and Legumes), Fresh, Frozen and Canned Fruits and Milk.</p> <p><b>Students must have 3 components (a food serving) on their tray. One (1) must being a fruit or vegetable to make it a meal. Students may select the entrée and all the fruits and vegetables if they wish!</b></p> <p>All of our meals are prepared in kitchens that pass Department of Health inspections 2 times each school year and are supervised by a team of kitchen leaders that are ServSafe Certified. Food Safety is our primary concern when feeding our students.</p> <p>Our team of professionals work hard to ensure that each student receives a meal that will nourish his/her mind and body to lay the building blocks for a good education and success as a student at Dover! Our employees actively receive 6 or more credits of education each year in food safety, culinary foods preparation and personal skill improvement. This helps to elevate our team and provide a higher level of customer service to our district community.</p> <p>If you would like to join our team of dedicated professionals, we are hiring! We have multiple positions available and would love to have you as part of our team if you like to work with children, serve food, have fun and make a difference in the life of a child. Please contact Kelly Renard at <a href="mailto:krenard@doversd.org">krenard@doversd.org</a> to inquire about joining our team!</p>
