

Welcome to Kindergarten 2024 – 2025

Please share this information with friends, family members, and neighbors.

The Dover Area School District is looking for children who will be 5 years old on or before August 31, 2024, to join our DASD Kindergarten family. We are very excited to welcome new students and would appreciate parents enrolling students early so we can plan for this exciting milestone in your child's life.

To Register:

Please complete the online registration process via the Central Registration page on the district's website, www.doversd.org. Once complete, the Central Registrar will contact the parent/guardian to confirm the receipt of the online registration and that all required documents for enrollment have been received. Please note that you must use a computer to complete the registration process. If you do not have access to a computer, the Dover Area School District has computers available at the Dover Administration Office, 101 Edgeway Road, Dover, PA 17315. The Dover Administration Office is open Monday through Friday when school is in session, from 8:00 AM to 3:00 PM. No appointment is necessary. Policies have been established regarding the kindergarten program and admission requirements for kindergarten. Those policies can be found on the district website. Policy #201

Required enrollment documentation:

- Child's Birth certificate
- * Proof of completed immunizations
- Two proofs of the parent/guardian Dover residency statement or property tax statement with the parent/guardian's name on it.

**** It is a requirement per the Pennsylvania Department of Health that students who register for school must present proof of completed immunizations prior to being enrolled for the first time. Therefore, your child will not be registered or permitted to attend school unless you have provided written proof of your child's completed and current immunizations prior to the first day of school.***

Physical and dental examinations may be completed up to one year before the date of the actual school entrance. Forms for physical and dental exams can be found on the district website.

If you have any questions or need support with the registration process, please contact the central registration office at 717-292-3671 ext. 80113 or ext. 80104. We look forward to receiving your registrations and welcoming your children for the 2024-2025 school year.
