This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.

(1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's effective date. Contact your employer to determine the effective date applicable to your program.

(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.

(3) Telemedicine Services (acute care for minor illnesses available on-demand 24/7), must be performed by a Highmark approved telemedicine vendor. Additional services provided by an approved telemedicine vendor are paid according to the benefit category that they fall under (e.g. PCP is eligible under the PCP office visit benefit, behavioral health is eligible under outpatient mental health).

(4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).

(5) Benefits for Emergency Care Services rendered by an Out-of-Network Provider will be paid at the Network services level. Benefits for Hospital Services or Medical Care Services rendered by an Out-of-Network Provider to a member requiring an inpatient admission or observation immediately following receipt of Emergency Care Services will be paid at the Network services level. The member will not be responsible for any amounts billed by the Out-of-Network Provider that are in excess of the plan allowance for such services.

(6) Air Ambulance services rendered by out-of-network providers will be covered at the highest network tier level of benefits. Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.

(7) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.

(8) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.

The Highmark formulary is an extensive list of Food and Drug Administration (FDA) approved prescription drugs selected for their quality, safety and effectiveness. The formulary was developed by Highmark Pharmacy Services and approved by the Highmark Pharmacy and Therapeutics Committee made up of clinical pharmacists and physicians. All plan formularies include products in every major therapeutic category. Plan formularies vary by the number of different drugs they cover and in the cost-sharing requirements. This formulary covers all FDA-approved generic and brand-name drugs. Under the soft mandatory generic provision, when you purchase a brand drug that has a generic equivalent, you will be responsible for the brand-drug copayment plus the difference in cost between the brand and generic drugs, unless your doctor requests that the brand drug be dispensed. Your plan requires that you use Accredo specialty pharmacy to obtain select specialty medications. The Copay Armor program helps members to afford high cost medications (mostly specialty) by leveraging manufacturer coupon dollars. Members will not need to change where prescriptions are filled and will be contacted by Pillar Rx for cost savings enrollment.
