6. Activity / Committee Reports

7. Principal's Report

Thank you for all of the effort put into all of the events. The kids certainly enjoyed all the events. There were some staff changes for the upcoming year. There will be some movement from other schools and new hires. Dave Unger Sports Day was on May 17th. Students and staff raised \$650 in the coin drive for the Greater Dover Area Dollars for Scholars fund. Mr. Schrum and Mrs. Hulihan worked hard to plan on that. This is our last week of school with early dismissals at the end of the week.

8. Teacher's Report

The Tier 1 PBIS team met with the LIU to review implementation of PBIS at North Salem for this school year. The LIU meets with every school annually to review how successfully each school is implementing PBIS with fidelity. Our score this year was a 95% for Tier 1

implementation. This allowed us to meet as a Tier 2 PBIS team to review how successfully we are implementing PBIS at the Tier 2 level, which focuses on providing students with more individualized supports for academics and/or social/emotional needs. We received a score of 84.62%, which means that we qualify for Tier 2 Recognition at the state level for our implementation of PBIS. The meetings proved to be very helpful in providing next steps for our committee for next year.

In thinking about next year, we are always looking for parents to come to the PBIS meetings in the mornings. We will continue to meet monthly on Tuesday mornings at 8:10 next year!

Finally, our PROUD Council met for a breakfast during May to celebrate the hard work and dedication that they showed this year. They assisted with the Dave Unger Coin Drive in the mornings. We thank them for their commitment and look forward to working with our PROUD Council again next year. Our new PROUD Council advisor for next year will be Mrs. Hulihan!
